Quotation - Terms and Condition

Labs Conditions for Metrology

1. Client shall provide written work instruction in order to execute job request.
2. Client shall be responsible for delivery of instruments to Nusatek laboratory for calibration.
3. Client shall be responsible to collect the instruments after calibration. Test pieces not collected after 14 days shall be disposed without prior notice.
4. The instrument sent to our receiving counter/laboratory must be in good condition and complete with accessories/manual(s) in order to carry out the calibration.
5. Under normal circumstances, the turn around time for calibration shall be within 5 – 7 working days. Additional charges of 50% above the normal rate shall be chargeable for urgent job carried-out within 3 working days.
6. Price quoted is inclusive of one (1) set of original report only. Reissuing of misplaced/lost report shall be chargeable at RM100.00 per set.
7. Official Test Report shall be ready within three (3) working days after completion of calibration. The test report shall be delivered by normal mail or self collected unless otherwise stated.
8. The company reserve the rights to retain the testing report, if the client fails to issue an official purchase order.
9. The above prices excludes collection & delivery.
